Asquith Mixed Probud Club 10th anniversary celebration

We are celebrating our 10th anniversary with a special luncheon on Thursday 4th October.

The start is 10.30 for our meeting followed by the luncheon.

The luncheon is **free** for members however visitors and member's guests will be charged.

Members pay a \$10 deposit to book a place others will need to pay \$25.50 on booking.

The members \$10 will be refunded to members attending on the day.

We have 46 of the foundation members still in membership out of 126 on the day the club formed on 2nd October 2008.

Let's make this a special day of celebration. Bookings after payment should be made at the activities desk.

Barry Willick - Membership Officer.

Warren Fahey delighted all present at the July meeting with his talk on things of the past in Australia, covering childhood games, old sayings and ditties, and a thousand things beside. Interposed with interesting stories were anecdotes about his own life, and his search for what could be called "oral history". Just as we were engrossed in the next tale, Warren would burst into song, sometimes accompanying himself with his squeezebox, an item not seen very often in this day of electric guitars.

Since 1 July 2018 everyone in Australia has an electronic health record, the My Health Record. If you don't wish to have one you must opt out by 15 October. The speaker at the August meeting will be Eric Dunn, Digital Health Manager at Northern Sydney Health Network. Eric will talk about the health record, what it means for us as patients, and how to opt out. This topic is of importance to each one of us so don't miss the August meeting.

Book Exchange Table:

Sunny Dougall and Robert Montgomery

We have all heard of Morris West and John Grisham – but have you read any of their novels ? On the ‘book exchange table’ we have West’s “Masterclass”- involving money, artwork by Raphaels, greed, conniving etc – a very good read by an accomplished author. Grisham’s first and perhaps his best book was “A Time to Kill” – on racism, rape and revenge, with a young lawyer facing a town’s racialism and long standing prejudices. Another good read in the legal genre.

Where did that phrase come from?

Where does the expression being on tenterhooks come from? After it was woven, wool was pounded in a mixture of clay and water to clean and thicken it. This was called fulling. Afterwards the wool was stretched on a frame called a tenter to dry. This was then hung on tenterhooks. So if you were very tense, like stretched cloth, you were said to be on tenterhooks.

Christmas in July

This was celebrated in a most enjoyable way at The Fiddler Hotel, Rouse Hill. On arrival 44 members were greeted with a welcome drink and we then sat down to a delicious Christmas Lunch with Christmas fare, robust comments were made

at the pulling apart of the bon-bons, thus causing lots of laughter and frivolity. The entertainment was excellent and of course a few very active and lively members joined in the singing at the tables, swaying to and fro to the beat of the music.

A very happy day was had by all.
